WHERE DO I FIT IN?

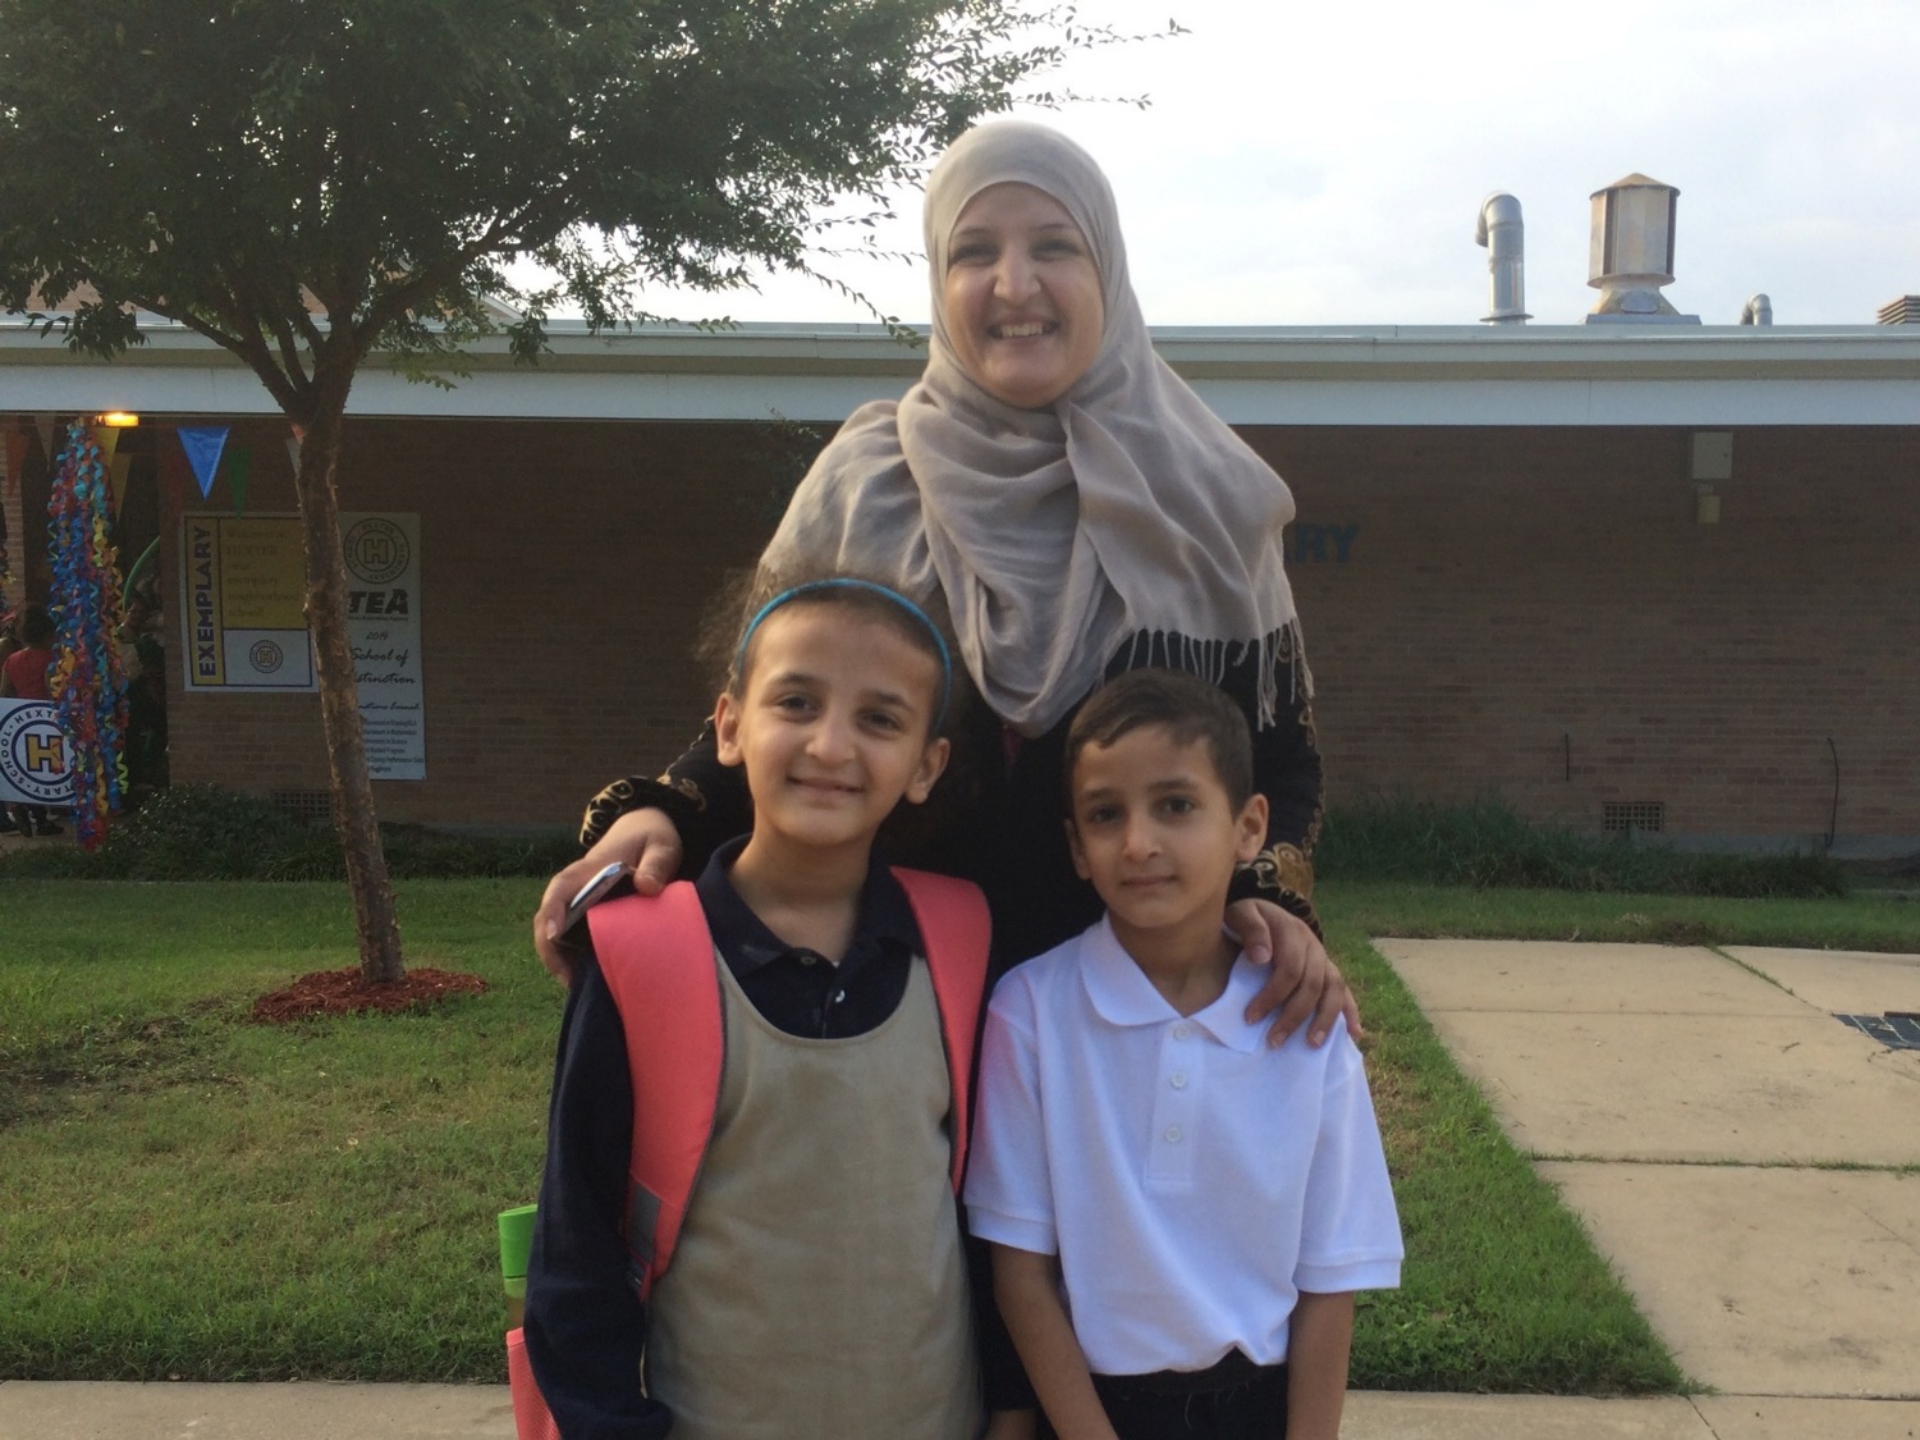

Francis Chan on idolizing our families rather than putting Christ first

“

You're missing out on life, and your children are missing out on life when you do that. That's why so many kids when they turn 18 are ditching the church altogether. Because they didn't see anything real in your life. They didn't see that adventure, and you didn't put yourself in positions where God has to come through, and then He comes through and your whole family is going, "Wow, that was amazing, I'm never going to leave that God." No, you just created a little bubble for yourself, where, how was God even going to operate in that?"

[HOME](#) • [PRODUCTS](#) • [ABOUT](#) • [ORDER](#)

Hi, my name is Kholoud and I love to sew beautiful things. I fled my home in Syria four years ago, along with my husband and our six children, and we arrived in Texas as refugees in summer 2016. My children have safety and a bright future here, and I hope to help support my family financially during this very difficult transition by sewing some lovely items for your home.

Heavenly Father, you are the source of all goodness, generosity and love.

We thank you for opening the hearts of many to those who are fleeing for their lives.

Help us now to open our arms in welcome, and reach out our hands in support. That the desperate may find new hope, and lives torn apart be restored.

We ask this in the name of Jesus Christ Your Son, Our Lord, who fled persecution at His birth and at His last triumphed over death.

Amen
