## Jesus-Follower

“Across the years, I can see that Jesus has patiently led me every step of the way. He has met me through His Word, through His Church, through the sacraments, through faithful friendships, and through the ordinary rhythms of grace that have sustained me over the years. My hope is that, however many years of ministry the Lord gives me, I will simply keep following Him, loving His Church, and caring well for the people He entrusts to me.”
